To Whom It May Concern:

Reference Re: Tanya Pisk

Tanya has been a member of our team at Sydney Physiotherapy Solutions for the last few years. She has been an invaluable member of our team here in her role as a medical secretary.

She has shown repeatedly to be hardworking, with a good eye for detail. She always works well to deadlines and often goes above and beyond to assist us whenever required.

I would have no hesitation in recommending her to your workplace. I feel she will be an invaluable asset to you moving forwards.

If you require more information please do not hesitate to contact me further.
