

Conflict of interest statement

VETERANS CLUB OF SOLIVITA AKA (VCS)

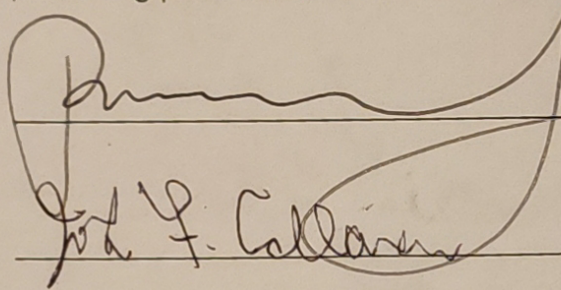

As a member of the board of directors of VCS, I acknowledge that I have a duty to act in the best interest of the organization and to avoid conflicts of interest that may compromise my ability to fulfill this duty. I understand that a conflict of interest arises when my personal interests or relationships interfere with my ability to make impartial decisions on behalf of the organization.

To ensure transparency and maintain the integrity of the VCS, I hereby declare the following:

1. I will disclose any financial or personal interests that may conflict with the interests of VCS before participating in any decision-making process.
2. I will abstain from voting on any matters in which I have a conflict of interest, and I will remove myself from discussions where such conflicts arise.
3. I will not use my position on the board of directors to obtain personal gain or advantage for myself, my family members, or any organization with which I am affiliated.
4. I will always act in the best interest of VCS and prioritize the organization's mission and goals above any personal interest.

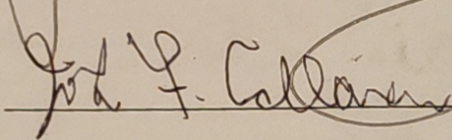

I understand their failure to disclose conflicts of interest or adhere to this statement may result in disciplinary action, including potential removal from the board of directors.
