A safe place • A loving home • A promising future

Executive Summary – “The Kids Promise”

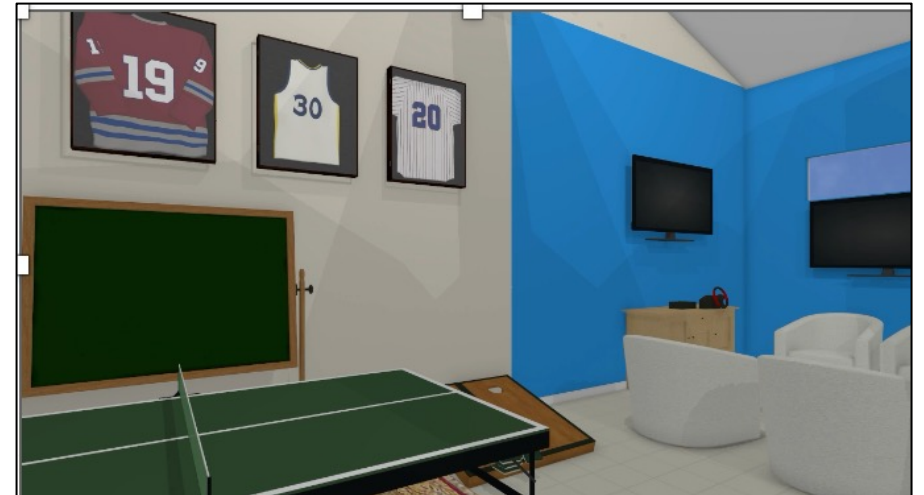

- **McNeese Kids** was founded to make a difference in the lives of local children in need – so that they can be the best version of themselves. We have a passion for the next generation. It's our “why.”
- **Our value proposition** is found in our ability to raise awareness, funds and volunteerism in our community – with over \$300K and 3,300 hours donated in our first three years.
- **Our strategy** is grounded in teaming with established organizations that align with our values and have the infrastructure and hands-on involvement.
- [Promise House](#) is joining missions with [Jonathan's Place](#) to help more children in need – and have asked McNeese Kids to help them with this mission.
- **“The Kids Promise”** is our pledge to the kids and 2024/25 campaign to help to make the new Promise House Recreation Center a reality!
