

PLEASE NOTE! Class "labels" are for our organizational purposes only & the term "intermediate" can mean several different levels - Ultimately Celeste will need to determine the best fit for your child. We are also very flexible & wish to include everyone that wants to dance with us - so we are happy to work with you on finding a class that fits your child & your schedule. Schedule is also subject to change due to enrollment. Please contact Celeste by email or text with any questions!
