International Fuel Tax Agreement (IFTA) License and Decals

Attached is your IFTA License. Each vehicle licensed under the IFTA agreement must carry a copy of this license and display the current year decals. You may make as many photocopies of the license as necessary.

One decal must be placed on the lower rear exterior portion of the cab's passenger side and the matching decal must be placed on the driver's side of the vehicle in a similar position.

To order additional decals, please visit the MI IFTA IPC website at <https://mi.motorcarrierconnect.com>, access your online IFTA account, click on the link "Order Additional Decals" under suggested actions on your account dashboard.

To cancel your IFTA license, you must submit form 4460 (www.michigan.gov/IFTA). Unused decals can be maintained for 4 years, or you may return any unused decals to:

You will remain liable for the filing of IFTA tax returns and the payment of any liabilities that are due until you receive notice of your IFTA license cancellation effective date by Treasury.
