

**St. Rita Athletic Association  
Volunteer Commitment Policy**

The goal of the Athletic Committee is to continue our tradition of providing our children with an affordable, competitive, and fun athletic environment. We have successfully been able to keep our player participation fees at \$30.00 (per child – per sport, with a maximum of \$90 per family) for the last 7 years. This success has been achieved by the revenue generated from hosting RPAL league games for volleyball and basketball and sponsoring the annual basketball tournament and golf outing. The commitments for the volleyball and basketball games have grown. We need to ensure there are sufficient volunteers in place to support these activities so that the attendance by and experience of players, coaches and spectators continue to be positive. The Athletic Committee is a small group that needs your assistance.

We no longer charge if you don't volunteer for our Athletics program, but it wouldn't be where it is today without all of your hard work and dedication to a wonderful program. Please help out anyway possible and here are a few ways to do that. The events and positions needed include, but are not limited to:

RPAL league volleyball games – concessions  
-Monday nights during September & October

RPAL league basketball games  
-Saturday morning or afternoon from December through February

St Rita Basketball Tournaments (Admissions/Concessions/Scorer's Table)  
-Annual Basketball Tournament mid-January through mid-February

In the meantime, please contact Kathi Manchester at the Parish Office (639-3223) if you have any questions.

I will volunteer to work 2 shifts at one of the St Rita sponsored volleyball or basketball events during this upcoming season.
