Disabled athlete shines

PARAPLEGIC athlete Scott Wintle, of Wellington Point (pictured), continued his golden run at this month's National Disabled Water Ski Championships at Lough Earn lake, Woodford.

Scott took out the overall gold medal in the men's MP2 division after winning gold in the jump and trick (wakeboard) events and silver in the slalom.

Scott, who was paralysed in the lower half of his body after a motorbike accident in 1996, has been overall Australian disabled water ski champion since 2003.

He was the 2007 winner of the

world championship in the tricks (wakeboard).

Scott is now looking forward to next year when he will again compete in the world titles, this time to be held in either USA or Europe.

On May 24-25 he will begin playing basketball in the National Wheelchair Basketball League for the Brisbane Spinning Bullets.

He is currently seeking sponsorship so if there is anyone who would like to sponsor a world champion (tax deductible) email Scott at scott_wintle@hotmail.com.
