"A UNIQUE FARM TO PLATE DINING EXPERIENCE IN THE REDLANDS"

Wellington Point Farmhouse offers a unique dining experience of "farm to plate" for guests to gather around the table to enjoy high-quality fresh produce primarily sourced on-site from the surrounding farm lands.

The Restaurant and Coffee Shop overlook 24 acres of Redlands heritage rich red soil that nurtures a range of fruit and vegetable crops grown on the farm. Seasonal production on the farm influences a country style kitchen menu for breakfast and lunch, promoting the consumption of healthy, freshly prepared, and tasty food.

Our Coffee Shop extends on the country kitchen theme with a selection of pastries and baked goods, accompanied by iconic specialty roasted coffee, teas, and juices.

We share a common goal at Wellington Point Farm to promote a healthy eating philosophy and aim to enhance this through the development of a kitchen garden dedicated to the Restaurant and interactive educational cooking programs.

Keep up to date and in touch via our socials.
