12/01/24	12/07/24	12/10/24
12/08/24	12/14/24	12/17/24

Effective immediately, timesheets should not be used as the primary source for clocking in and out. Instead, we urge you to utilize HHA Exchange for all clocking in and out activities. HHA Exchange provides a more accurate and streamlined process for recording your work hours.

Failure to submit the original timesheet on time may result in delayed payment. To avoid any inconvenience, please make it a priority to enter your work hours promptly and accurately in the HHA Exchange system.
