Requested: \$470

Funds needed by: 10/23/2025

This money would allow us to continue our tradition of taking all 3rd graders on field trip to the Oregon Zoo. This will come at the end of our plant and animal life cycles science unit.

2. 10/3/2025 - Patrick Callero

Requested: \$300

Funds needed by: 11/3/2025

I am asking for \$300 to continue to build my bilingual classroom library. My plan is to purchase Spanish books from popular series. Spanish books are harder to come by and are often more expensive, so this money would help greatly!

Motion: first Amber Smith, second Adrienne Crockett

Vote: Yes 2; No 0

3. 10/7/2025 - Alejandra De La Rosa and Carolyn Claridge

Requested: \$500

Funds needed by: 10/21/2025

The grant is requested to bring dancers from the Viva Mexico folkloric dance group to perform in our October assembly. This month, we are celebrating Hispanic Heritage Month. As a multicultural community, it is important that students learn about and celebrate others' cultures and traditions. The dance is performed by young dancers.

4. 10/7/2025 - Jacinta Ortiz

Requested: \$300

Funds needed by: 10/10/2025

One of our school-wide goals is for every student to write every day. Classes are tracking their progress toward this goal and teachers are providing a class reward when they hit 50, 100, 150, etc. I would like to help teachers with providing an incentive when they hit 100 times of writing. Students would get to choose from a collection of fun pencils and pens. I will attach photos of the writing tools I am thinking of. All students will benefit from this grant request.

Motion: first Amber Smith, second Adrienne Crockett

Vote: Yes 22; No 0
