Call to Order:

The Board Meeting of Jennings Lodge/Candy Lane PTA was called to order at 6:30 pm by President Margey Vattiat, as stated in the Bylaws, was present. Due to school closure, the PTA Meeting was held virtually, online, with *Zoom*.

Principal's Update:

* Virtual conferences were well attended. Because of the success, it may be possible to continue to offer virtual conferences in the future. Report Cards are available online in Parent Vue. Students continue to make good progress in reading and spanish language.

* Student packets/library books pick up will resume 1/6/21. After monitoring the trend, pick-up/drop-off will only be offered Wednesdays from 2-6pm. Please coordinate with another family member/friend/neighbor if you are unable to attend on Wednesdays.

* Comprehensive Distance Learning (CDL) will continue thru January. The school district is drafting plans for potential to move to hybrid learning model in February 2021. The district will be sending out a transportation survey. All classes will be held at Candy Lane. Drop off will start at 7:35. No before school programs will be available. More information regarding hybrid learning will be sent out as available.

Prior Meeting Minutes:

October 2020 minutes were approved as corrected for grammatical error in the attendance section.

November 2020 minutes were approved as presented.

Treasurer's Report:

Treasurer, Lisa Olson, was not present. Margey shared the current version of the budget and Treasurer's report. New activity included a check for \$250 to the Clackamas County Clothes Closet as a budget line item. The PTA will need to issue a \$250 check for budget line item grant to the Family Focus Forum. Margey will follow-up on the budget line item for technology grant funds to see how the school plans to use the funds.

Grant Requests:

No Grant Requests were submitted.

Fundraising:

The PTA has set-up a bottle-drop account and PTA members have bags available for those interested in participating. Please contact the PTA via email, website or Facebook to coordinate drop off/pick up. The PTA will work to set-up drop off days/locations once it is easier and safer to do so. Families wishing to participate can also choose to have funds from their personal bottle drop accounts moved to the PTA account. Margey will ask April if she can include information in one of her upcoming school-wide emails.

Events:

The PTA is looking for volunteers interested in organizing/helping with a virtual bingo for books and read-a-thon. The PTA would like to encourage reading and focus the event on the number of minutes read over the amount

of money collected. Please send Margey ideas/suggestions. Margey will ask April to include information in one of her upcoming school-wide emails. Adrienne and Anne both volunteered to help with this event.

The PTA is also looking for volunteers interested in helping with an on-line auction in the Spring of 2021. Please contact the PTA if you are interested.

Student Directory:

The student directory has yet to be completed - Margey will follow-up with Josh, who was unable to attend the meeting, to determine the next steps needed to provide families with this information. Potential for virtual copy only.

Spirit Gear:

Spirit gear is available and the current vendor is prepared to process orders. The PTA will be researching other possible vendors with online ordering systems that would be more user and budget friendly to allow families opportunities to order throughout the year.
