Principal's Update:

* Conference Sign-up will start soon. Conferences will focus on goal setting. Students are encouraged to participate.

* 11/20 will be the last day before the holiday break to pick up student packets/library books. Pick up will resume 12/2.

* April discussed the Oregon Health Authority's (OHA) Metrics that the school board uses to determine when schools will be able to move from Comprehensive Distance Learning to Hybrid and eventually returning to full-time on site learning. More information can be found on the OHA website.

<https://govstatus.egov.com/OR-OHA-COVID-19> If it is determined that OCSD can move to the hybrid model, it will take approximately two weeks to coordinate buses, etc.

Grant Requests:

One grant request was submitted by Diana Hernandez for \$320 to purchase an annual subscription to Brain Pop, an online learning platform for science, social studies and health.

Because there have been multiple requests for this program, the proposal of purchasing a subscription for use for the entire school staff and students was made.

Sarah motioned to approve \$2655 for an annual subscription for the Brain Pop Combo without ELL component.

The motion passed.

Fundraising:

The PTA has set-up a bottle-drop account and PTA members have bags available for those interested in participating. Please contact the PTA via email, website or Facebook to coordinate drop off/pick up. The PTA will work to set-up drop off days/locations once it is easier and safer to do so. Families wishing to participate can also choose to have funds from their personal bottle drop accounts moved to the PTA account.
