Our 5th grade class would like to attend Biztown, a hands-on career experience put on by the junior achievement to simulate a real-work environment with lessons in managing a budget, personal finance, public speaking, and more. We would attend on 3/3 from 8:30-1:30.

Our school was given a discount because we are a Title I school. Typically this experience would cost \$22/student total about \$1364 for 62 students. This is a considerable discount and an amazing experience for our 5th graders. We went last year and it was the highlight for most of the CL's student experience.

**Motion:** first Anya Glenn, second Amber Smith.

**Vote:** Yes 13; No 0.
