 - (b) a written report (**Report**) that (depending on the circumstances) may include:
 - (i) key parameters and controls;
 - (ii) details as to the statutory approval processes;
 - (iii) room scenarios;
 - (iv) estimated costs;
 - (v) a site analysis diagram;
 - (vi) timeframes;
 - (vii) advice on establishing the brief and statutory controls that are specific to the brief;
 - (viii) the results of a preliminary discussion with the local authority in relation to the brief;
 - (ix) a services infrastructure check; and
 - (x) concept plans; and
 - (c) anything ancillary to the matters referred to in clauses 2(a) or 2(b).
3. Together, the Consultation and the Report are the **Services**.

Limitations

4. The Services will be provided or prepared:
 - (a) in reliance on:
 - (i) our own visual observations at the time of the inspection;
 - (ii) our experience with other similar projects; and
 - (iii) information provided by any third party, including:
 - (A) specialist consultants;
 - (B) the local authority; and
 - (C) the NSW Government; and
 - (b) with the professional skill, care, and diligence that would be expected of a professional architect experienced in providing services similar to the Services.
5. The Services:
 - (a) are limited to the main structure on the property and any other buildings:
 - (i) within 30 metres of the main structure; and
 - (ii) within the site boundaries;
 - (b) is subject to any inaccuracies or inconsistencies in the information referred to in clause 4(a)(iii);
 - (c) are no more than:
 - (i) an investigation into opportunities and constraints; and
 - (ii) (in the case of the Reports) a visual presentation of those opportunities and constraints in the form of a feasibility study; and
 - (d) are not:
 - (i) a final detailed architectural solution, a building report, a structural report, a geotechnical report, a town planning report, a heritage report, a dilapidation report, or a (latent or patent) defect report; or
 - (ii) a guarantee that the local authority will consent to any application for development whether based on the Services or otherwise.
6. Any building cost estimates provided as part of the Services:
 - (a) may include consultant fees, including architectural consultant fees; and

- (b) are subject to assumptions we will make, including assumptions about:
 - (i) architectural detailing, finishes, and related items;
 - (ii) site conditions, including contamination; and
 - (iii) unforeseen or unknown events or circumstances that can have an impact on:
 - (A) design, including in respect of town planning, heritage, and engineering constraints; and
 - (B) construction or material costs.

Next Steps

7. The architectural proposals set out in the Services may form the basis of a separate agreement for the provision of architectural services by which we can develop those proposals.
8. You may contact the Assessor who provided the Services if:
 - (a) you have any questions; or
 - (b) you otherwise require clarification,on any aspect of the Services.

Ownership of the Reports
