Beirut, February 15th 2026

Dear Saint Barbara Lebanon Relief Fund,

The Social-Medical Centre (SMC) of the Orthodox Youth Movement – Beirut (OYM Beirut–MJO Beyrouth) would like to express its heartfelt gratitude for your generous contribution of USD 4,000 in support of our “Djejit el Eid” Christmas campaign for the second consecutive year.

Thanks to your kindness, the full amount was dedicated to assisting 150 families registered at the SMC during the Christmas season. Each family received a voucher providing essential food items : one kilogram of meat, one whole large chicken, two kilograms of rice, and a 1.8-liter bottle of cooking oil, enabling them to gather around a warm and dignified holiday meal.

Beyond the material support, your donation brought comfort, joy, and a renewed sense of hope at a time when it was most needed.

In the difficult and uncertain context that Lebanon and the region continue to face, the solidarity of committed friends and partners like you is invaluable. Your contribution is not only a gesture of generosity; it is a lifeline that allows us to pursue our mission and continue providing relief and care to the families who rely on our programs.

We are deeply grateful for your trust and for your steadfast support, which makes a tangible difference in the lives of so many. Thank you for helping us preserve the spirit of compassion and sharing within our community.

With our sincere appreciation,

Randa Eid

Chair of MJO Beyrouth Social Work Committee
