

Dear Friends and Supporters,

Thank you for your continued prayers and generosity in supporting the afflicted people of Lebanon. We are pleased to share how the \$200,000 in aid was distributed to those most in need across the country, since our foundation almost three years ago. With the cooperation and guidance of the Metropolitans and the Orthodox Youth Movement (OYM) in Lebanon, we have assisted thousands of individuals since our inception. This support has provided relief through food, medicine, hospitalization, doctors' visits, diagnostic tests, medical equipment, diapers, baby formula, heating oil, and assistance with school tuition for children in need.

May God bless you and your families abundantly,

Ramona Blanski, Chair
