If no subs are available, the team will play under the Absent Members rules. If the absent member chooses not to contact a sub, his playing partner will be assessed a handicap penalty of 20%. The Board understands that out of the ordinary circumstances may arise at the last minute. If a team has an absence on the day of play the 20% penalty will be waived. No team may have a sub on the Position Finals Round (Week #20). The absent member will receive a 2021 Rain Check from Glacier Club. The Sub Members Position List is a rotating process and its sequencing is published within the website on Page 3, Sub Members Detail. The opposing team will match cards to that of the absent team's prior week. No additional penalties will apply.
Unable to Finish Round:	Should a member be unable to finish the round, his teammate may complete the round. Should both members of a team be unable to finish the round, their opposing team may complete the round and the remaining holes will be played matching the card of the withdrawn team's previous week. Should the entire match cease before finishing the round, points will be awarded to both teams thru the number of holes completed. No additional penalties will apply. If a team leaves the course without an illness or personal issue, they will lose all monies won during the round and the remaining points will be awarded by matching cards of the previous week.
