Quality Poly Furniture

Walnut Lane is a family owned business where we strive to build the highest quality, most comfortable furniture possible. Our Bentback style features a very comfortable lumbar support. We use Tangent Poly Lumber made of (HDPE), a recyclable plastic derived from post-consumer waste such as milk and detergent bottles.

Our poly furniture is durable, will not splinter, crack, or rot; it is low maintenance, can be left outside all year round; and it is easy to clean.

Warranty

- 20 Years for Residential Use
- 5 Years for Commercial Use
- 5 Years on Stainless Steel Glider Arms

Contact your local dealer for restrictions and specifics.

Sit back and enjoy your quality Lawn Furniture. Built for a Lifetime!

General Cleaning

Scrub boards with soap and water solution using a soft sponge or plastic brush. You can use a soft bristled toothbrush to clean spaces that are hard to reach. To remove surface dust, hose furniture down with cold clean water.

Our Fasteners

All of our fasteners & hardware are assembled using high quality 316 grade stainless steel hardware for optimum durability. We use aluminum bracing where appropriate.

Standard Colors

Bright Colors

Premium Colors

All Bentback chairs have lumbar support for optimal comfort.

BBST202
