Magnet Skirts

Can't self-store all your leaves with a skirt? Here's the perfect solution! Order detachable Magnet Skirts for all unskirted leaves. When attaching the Magnet Skirt hold it close to the magnets on the leaf and, "POP!" The Magnet Skirt will "jump" into the perfect spot, drawn by the power of rare earth magnetic force! Are you done with the Magnet Skirts? Pull them off and store them conveniently on the bottom side at the end of the table for easy access the next time you want to use them. An easy solution that is user friendly, from your friends at Woodside Woodworks!

More Than a Simple Craft.

Here at Woodside Woodworks, we aim to create furniture with a unique purpose. We want each piece to function as more than just a table.

This furniture brings life to a room. Character is embedded into every woodgrain, beveled edge, and tapered leg. These collections embody what we believe:

“The allure of hardwood furniture will always stand the test of time.”
