*clear*Tag
Bar Code Labels

- Clear stemmed flag labels for vials, ampules, and syringes
- Scratch and moisture resistant
- Clear stem will not obscure manufacturer's labeling

m:Print® Features:

Custom Label Templates:
Design unlimited custom templates for roll, sheet, and flag labels with a few clicks of a mouse. Works with all label supplies.

Any Label. Any Printer. Any Size. Your Design.
Design custom labels and m:Print® will print it with any Windows® supported printer.

Automatic Job Numbering:
Software assigns unique identifier for each packaging and labeling run. No manual logs needed.

Third Party Drug Database:
NDC drug database with over 150,000 drug records, including complete drug information, drug images, and tallMAN lettering for look and sound-alike drugs.

Bar Code Constructor:
Automatically build DSCA Bar Codes with a check box. Build Custom 2-D and Linear Bar Codes with multiple drug data fields within the bar code.

2-D and Linear Bar Codes:
Data Matrix, Aztec, and most linear bar codes.

Network Version Option

Multiple Report Options:
Advanced data filtering of dates and fields.

Microsoft SQL Server:
Robust enterprise-class database makes sure your data stays secure and safe.

Minimum Computer Specifications:
- Windows® 10 Pro, 64 Bit
- 8 GB RAM, 128 GB Hard Drive

1-Click Print®
Faster, Smarter Printing
with
Rules-based Workflow
making error-free medication labeling easier than ever
