Chalvey Sports suffered a disappointing defeat at the hands of Wallingford Town in the first match of the new UHlsport Hellenic League campaign.

Chalvey started the game well and had plenty of the ball in the 1st half but didn't really create many opportunities and didn't really test the Wallingford goalkeeper. The closest we came was when a Sean Robinson header hit the post from a Connor Shingleston corner. Later on in the half Wallingford town had a goal ruled out for offside.

HT 0-0

In the second half, Wallingford Town made the breakthrough in the 63rd min after a long throw into the box was headed in from close range into the chalvey net to make it 0-1. Wallingford then increased their lead & scored on 71 and 78 minutes to make increase their advantage making it 0-3. In the 83rd minute, Chalvey scored a consolation goal and found the net when the two subs Calvin Morgan and Conrad Joseph linked up brilliantly for Conrad Joseph to finish into the bottom left hand corner.

FT 1-3

A Deserved win for Wallingford Town.
