## **Wraparound 101 Online Training**

**Trainers:** Tricia Teal, Yanis Gonzalez, Tracy Pellegrino & Millie DeMary

24-hour Wraparound 101 training designed to provide individuals with the skills necessary to implement the Wraparound Process. This live, interactive course provides a comprehensive overview for Care Coordinators, Family Partner Advocates, Supervisors and Coaches, describing the core competencies needed to adhere to the principles of practice and to carry out all four phases of the Wraparound process. Following this training, individuals can enroll in our guided certification process.

## **Wraparound Certification**

Following the completion of Wraparound 101, our Coaches will assist professionals in obtaining Wraparound Certification. Each individual will be required to:

- Attend a minimum of 4 group coaching sessions
- Complete assignments that demonstrate ability to take the course content and put it into practice.
- Pass written certification exam

### **Costs:**

- **Course only-** \$595/individual (discounts available for Florida partnerships and groups of 10+)
- **Certification-** \$895/individual (must complete Wraparound 101 prior to starting certification)
