MAYOR'S CORNER — STAY CONNECTED WITH THE CITY OF PLAINS

To better share timely information with our community, I've created a Facebook group titled "City of Plains Georgia – Updates & Notices." This page is designed to keep residents informed with important city updates, meeting notices, project progress, and community announcements in one convenient place. I encourage all residents to visit the page on Facebook and request membership. To help keep the group secure and focused on our community, you will be asked to answer four brief questions before being approved. Thank you for staying engaged and connected as we continue working together for the City of Plains.

–Joey Recker, Mayor
