6:30 pm	<i>“Carter Country” documentary premiere at Plains High School</i>

FROM THE CITY OF PLAINS – PET WASTE DISPOSAL

Pet Waste Reminder: Please be mindful of our residents and visitors when walking your dogs throughout the City of Plains. We kindly ask that you always clean up after your pets, whether they leave waste on the sidewalk, street, or grassy areas, including private property. We have recently received complaints about dog waste being left on the sidewalk in front of the businesses on Main Street. Please help us keep our downtown area clean, welcoming, and enjoyable for everyone by being responsible and cleaning up after your pets. We appreciate your cooperation and your help in keeping Plains beautiful!

FROM THE CITY OF PLAINS – TRASH & DEBRIS DISPOSAL

The City of Plains asks all residents to please bag your household trash before placing it in the city-issued hobsos. We have recently found glass, screws, nails, and other loose debris in the streets following trash collection. Loose items can fall from the hobsos during pickup and create a safety hazard for our residents, motorists, and city employees. Please help us keep our streets clean and safe by placing all loose trash and debris in securely tied garbage bags before putting it in your hobo. Thank you for your cooperation and for helping keep Plains clean and safe!
