## How do I set up Parental Controls in STB EMU?

- On the Main screen for selecting your TV Category, use your Right Arrow on your Keyboard Remote twice so SETTINGS is selected... click ok open Settings.

- The top option is Parental Controls, click OK.

This screen will allow you to customize your parental control 4 digit code... (Note the default is 0000)

A screenshot of the 'Parental control' setup screen. It features three input fields: 'Password:', 'New password:', and 'Confirm password:'. At the bottom right, there are 'OK' and 'Cancel' buttons.

- Current Password - 0000
- Enter New Password - enter YOUR new Password
- Confirm New Password - re-enter YOUR new Password

• **Next Page =>**

- Click OK
- Now return to your Main Home Page and use the Arrow Keys to select TV

- When For Adults is selected, you will be prompted to enter the New Password you've selected.

*(PLEASE NOTE - we do not have access to changing this password once you've set it, so if you forget the password you set, it will require a reprogramming for us to re-install the STB EMU app which will cost \$30 to install and reconfigure this app for you.)*
