# AI Vision Planner

---

**Clarity. Strategy. Monetization.**

**Align your vision with the future — and make it profitable.**

## 1. Welcome to Your Vision Mapping System

You're not here by accident. You're here because you're ready to bring clarity to your mission, strategy to your goals, and intelligence to your execution.

This planner was built to help high-achievers like you define your next chapter — and design it with AI-enhanced support.

You bring the vision. This brings the clarity. Let's map it.

## 2. Define Your Core Vision

- ♦ In 1 sentence, what is your mission in this season of life or business?
- ♦ What does success look and feel like 90 days from now?
- ♦ What core values will guide every decision you make?

"Clarity is power. The more precise your vision, the easier it is to align."

## 3. Set Your Strategic Intentions

Use this table to define goals and use AI to enhance them:

 Goal	 AI-Powered Prompt	 Success Marker
Grow my email list	"Generate 10 lead magnet ideas for [my niche]"	+500 new subscribers

## 4. Build Income Paths Around Your Genius

 List 3 offers (existing or dream) you can monetize in the next 90 days.

 Brainstorm affiliate or digital products AI can help you automate.

Prompt Example: “Create a 5-email funnel to sell my [coaching/digital offer].”

## 5. Simplify with Tools That Scale

Use this checklist or write your own:

- [Notion](#) / [Airtable](#) for systems
- [Tally](#) for quizzes/forms
- [Zapier](#) for automation
- [MailerLite](#) or [ConvertKit](#) for email
- [Canva](#) for content
