Jolene is a beautiful 6 year old AQHA mare standing at 15 hands and weighs approximately 1050 lbs. She has been ranched on in a yearling operation and has been started in both the barrels and breakaway roping. This mare is very athletic and catty footed, and her gray color is sure to get noticed everywhere she goes. She has been being hauled to jackpots and has clocked some nice times and is consistently getting faster. She is ready for someone to continue on with her and make her a solid rodeo or jackpot mount. Roped the calf sled on her and obviously is not a stranger to running live cattle out of the box. Ran some steers on the heel side as well. Make Jolene a nice all-around horse and then raise some nice babies out of her later on! Her sire "SHOW ME THE THE SHINE" son of "SHINEY SPARK TWO" has sired money earners that are consistently placing and winning in the 1D and 2Ds.

Smoke has a fulltime job on the ranch during the week and then goes to the ropings, playdays and ranch horse competitions on the weekends. He was won first place numerous times earning both prizes and money. You can rope anything anywhere on him. I have never offered a horse to the public that has the extensive experience Smoke has done and that has excelled at every event. This is a true all around horse that will work for the whole family. He lays down on command, side pass up to mounting block/fence/trailer, and is 100% sound and sane.

PHC Chex My Groves - 2005 Bay AQHA 15H - 1250lb Mare. If you want broke and pretty Chex My Groves is it! She's been broke and ridden on a ranch most of her life, she has a heck of a handle, and is gentle enough for almost anyone to ride. She saddles up the same even when laid off. If you like King Fritz breeding at its best, you will know of the Breckenridge Breeding Program. Chex does all the things a broke horse is supposed to do! Shoe, load, tie, etc. Chex is sound; she has one small blemish on a front leg, but I will have a vet certificate with me. Previous owners said she had 2 blue roan colts by their roan stallion.
