PRESIDENT'S COLUMN (P.2)

DUST-OFF FLIER (P.5)

OBITUARIES (P.8-9)

# PRESIDENTS COLUMN

### Hello Widetrackers,

It is with a heavy heart that we have lost yet another couple of members. Let us all keep them and their families in our prayers and thoughts. It hurts to lose close friends and fellow Pontiac enthusiasts. They will be missed by all.

Summer is creeping upon us and it is time to finalize the upgrades, maintenance, and get those lovely pieces of Detroit Iron all polished up and ready to hit the cruises and shows we all enjoy. Let us not forget the upcoming Dust off. May it be as successful as the past shows that you all work so hard to host. We have always done a great job so we shouldn't expect anything less.

I have sent out this year's event calendar with all the shows and cruises in our area. I take a lot of that from Cruise News and some postings I see on Facebook, so if you hear of other shows or events just send me an email and I will revise it and send it out again.

On a side note, we have several members who have worked tirelessly to do things for the club and they are ready to hand them off to someone new.

# PRESIDENTS COLUMN

Please feel free to come see me or even call if there is something you would like to help out on. There is always room for more volunteers for the Dust Off committee as well as someone to help with the social committee. I would love to see someone plan out an event or two that we can all attend. It could be just a cruise to an ice cream stand where we can all show off our cars or even just plan a nice cruise to a nice spot we could all enjoy. It is not too early for someone to start planning our fall color tour. A lot of these events take time and effort to make happen, so feel free to bring a suggestion up at one of the meetings and start planning. It would be greatly appreciated.

I put together a nice meeting at the Pontiac Transportation Museum for the May meeting that went well and we were able to see the progress that Tim Dye and his staff of dedicated volunteers have made at the museum. If you were there, I hope you all enjoyed it.

Tim did a wonderful presentation about the upcoming 2026 POCI Convention. He gave us a nice outline of how things will go and showed us the list of areas where he will need our assistance.

# PRESIDENTS COLUMN

I am calling on all Widetrackers to do whatever you can to help out on this special event. Even if you can't do the entire week just daily help will be a great help. I will be keeping in touch with Tim to get an outline that I can share with everyone in the upcoming months as the date closes in. The date for the convention is June 23-27 2026 so mark your calendar now.

Lastly, I would like to remind everyone that membership has voted to start bringing your own beverage to the meetings. As always when we are at Golling, we will have coffee available but the rest is up to you. I know this is a big change that we will all have to adapt to so try to remember.

Respectfully, Tim Mays

# WIDETRACKERS DRIVE-THRU

Whenever the Widetrackers get together, there is always food with fellowship. Our monthly potluck suppers are always an amazing sight to behold, and over the course of the night *someone* is bound to ask *someone* for a recipe.

The Widetracker Drive-Thru is a chance for members to share some of their signature dishes with the group, and maybe you can find a new favourite among the offerings!

### LETTER FROM THE EDITOR

Hello Widetrackers.

Those with sharp eyes will notice I'm still flying the "up on jacks" photo of my T/A. Well, one issue of The Tracker later, and it does indeed still look that way. Progress has been made. Brakes are about 2/3 done, wheels re-refinished (they had to be redone after the first powder coating), new tires are mounted, new fuel filter with refinished bracket, new tank vent, etc. Still waiting on some 3D printed strut boots. I hope she's ready for the Dust-Off.

I'm happy to announce that our new website is up and running. The Gallery page still needs to be populated, but for the most part the site is filled with lots of good info about our club. Stop by https://miwidetrackers16.org to check it out.

The 35th Annual Dust-Off flier is on page 11. Be sure to mark your calendar and plan to attend! I've already signed the volunteer sheet, so I'll be there even if my car is not. I hope you will take the time to volunteer to help out at the show too. It's our club's one big fundraiser for the year, and great chance to see all of our members.
