**Hello Widetrackers,**

**I hope everyone who escaped the cold grasp of winter and basked in warmer climates, has or will be on their way home safely. I hope you all had an enjoyable winter and are rested and ready for this year's shows and cruises.**

**It is time to get those leftover projects done and the cars all prepped and ready to go. I myself have a few things to do to get ready myself. So let's get back on those projects and get them wrapped up. Summer will be here before you know it.**

**It has been a quite winter so far with little club activity. For those who have been away, we have had reasonable good turnout at the meetings and as usual fantastic food and an enjoyable time with our fellow members.**

**March brought the Detroit Autorama which was a great event. I will send pictures of the beautiful Pontiacs I saw at the show. Met a few folks and talked cars and learned a lot. There is always so much history and cool stories with each car. Always a good time and well worth the price of admission.**

**PRESIDENTS COLUMN**

We are always looking for volunteers to help with the dust-off so even if you can't help you can still get on the committee and offer your incite on things. It never hurts to have new ideas to bounce around. This year we will have a new DJ. It is Scott Kuhl, some of you may recognize him since he does the Sloan Museum show as well as the Back to the Bricks Dust'em Off and Back to the Bricks. I have been to several shows he has done and I think he will be a perfect fit for us.

The lovely Clarice has asked that members send inn a picture of yourself with your car if you have one so we can add them to the website. As usual, Dave Todd has done a wonderful job with that as well as the Tracker so check them out if you get time.

That's all I have for now so hope to see you all at the meetings, shows, cruises and the Dust-Off of course.

Respectfully,

Tim Mays

We are so fortunate in Michigan to have many great automotive events to keep us entertained. Autorama was once again bursting at the seams with quality vehicles of all types. And that includes many nice looking Pontiac products. Here are some of them.
