

Match the White Key to the corresponding Music Alphabet. Color the key.

The image shows a matching exercise. At the top, there are seven piano keyboard diagrams, each with a question mark on a white key. Below them are three pots containing the letters C, D, and E. Arrows connect the keys to the letters: a red arrow connects the first key to the 'C' pot, a red arrow connects the second key to the 'C' pot, an orange arrow connects the third key to the 'D' pot, an orange arrow connects the fourth key to the 'D' pot, a yellow arrow connects the fifth key to the 'E' pot, a yellow arrow connects the sixth key to the 'E' pot, and a yellow arrow connects the seventh key to the 'E' pot.
