Gutz Way

Good Guts, Good Days

Enzymes Crispy Jelly

Supports complete digestion -
carbs, protein, and fat

Reduces bloating and heaviness,
feel light after every meal

Enriched with **prebiotics**
and **fiber**, keep your
gut naturally balanced

Perfect for
those who

- Want to restore natural, healthy digestion
- Deal with indigestion or bloating
- Love good food buffets, parties & late-night eats
- Follow a high protein diet
- Experience acid reflux
- Have Irritable Bowel Syndrome (IBS)

5 Benefits from Natural Enzymes

Papain Enzyme from raw papaya.
Supports protein digestion and
promotes bloat-free comfort

Bromelain Enzyme from pineapple.
Supports protein digestion for a light,
comfortable feeling

Protease Natural enzyme.
Supports protein digestion efficiency

Lipase Enzyme from microorganisms
and plants. Supports fat digestion

Amylase Enzyme from whole grains.
Supports carbohydrate digestion

Why Us?

We believe that
"a pleasant life starts from a balanced and naturally functioning digestive system."

That is why we design every Gutz Way product with a deep understanding of what the people we care for truly need, inspired by real family experience. To make feeling good from the inside a natural norm, every single day.

Our functional foods start with **Enzymes Crispy Jelly**, support the digestion of carbs, fat, and protein, enriched with prebiotics and fiber. Thoughtfully crafted to be gentle, safe, and easy to enjoy with every meal. Because taking care of yourself should never feel like taking medicine.

How to Use

Take 1–2 pieces per meal,
before or with meals.

The amount may be adjusted
based on individual needs.
Individuals weighing over 80 kg
may take 2 pieces per meal

Allergen Information

Contains pineapple and
papaya. May cause reactions
in allergic individuals.

Storage

Store in a cool,
dry place below 45 °C

Keep away from direct sunlight
and excessive heat.
