## **Panduan Singkat: Cara Mengaktifkan Otentikasi multi-faktor dengan menggunakan *Desktop - SMS***

Di era digital yang penuh dengan ancaman siber, *Multi Factor Authentication* adalah solusi keamanan yang wajib diterapkan untuk melindungi akun dari akses tidak sah.

Untuk meningkatkan keamanan akun Anda, Anda dapat mengaktifkan otentikasi multi-faktor (MFA) di akun MyServiceNSW Anda. MFA memberikan lapisan perlindungan tambahan selain kata sandi Anda.

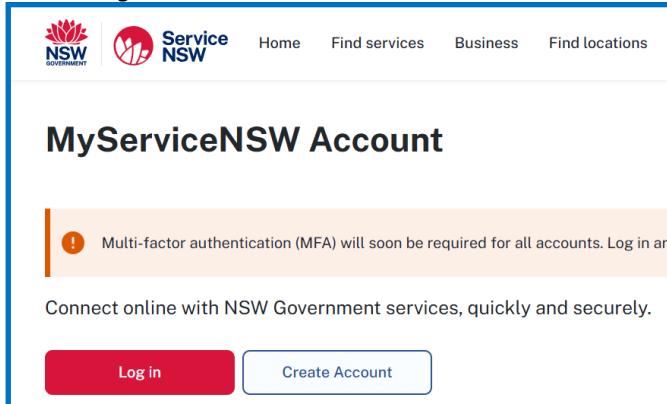

### **Persyaratan:**

- Akun MyServiceNSW

### **Langkah-langkah Mengaktifkan MFA – SMS**

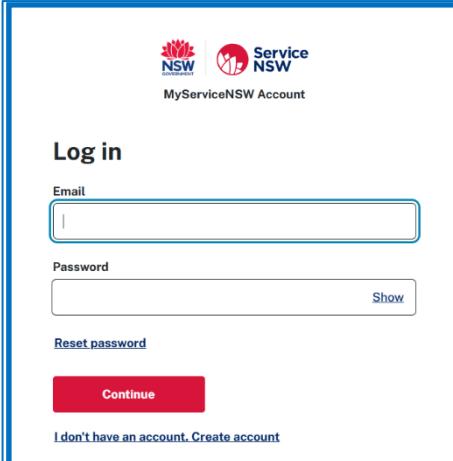

#### 1. Masuk ke akun *MyServiceNSW* Anda

- Kunjungi <https://www.service.nsw.gov.au>
- Klik "Log In"

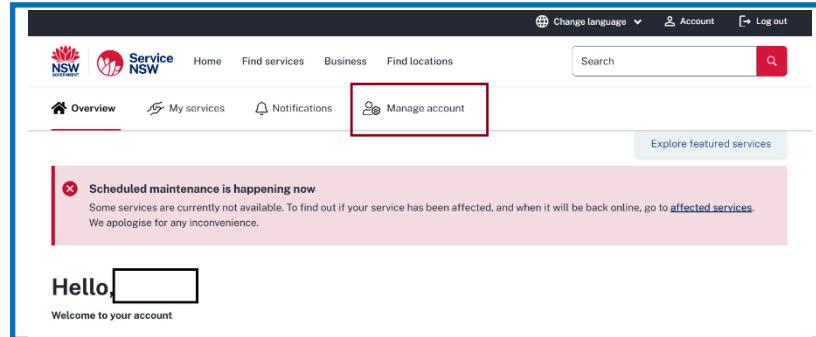

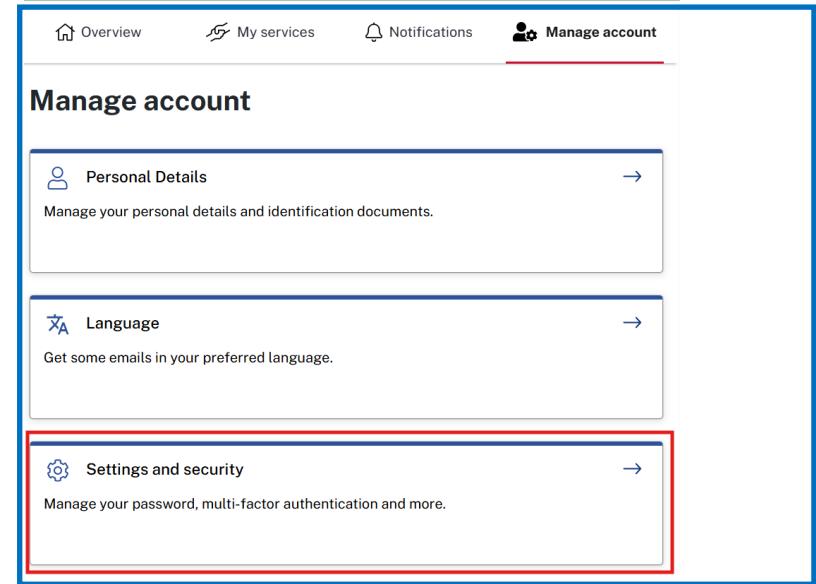

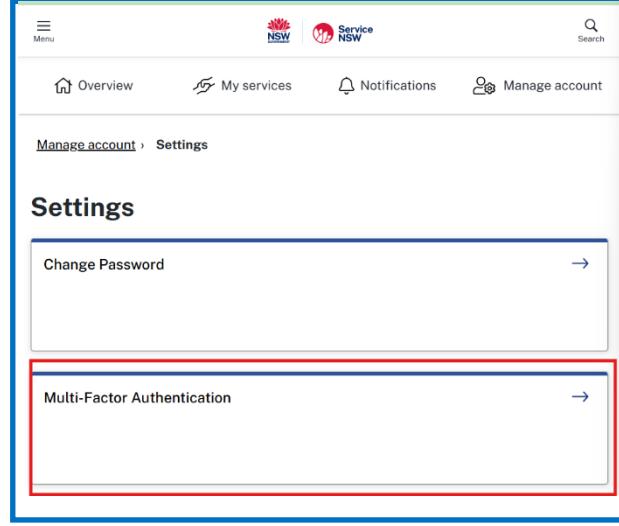

The screenshot shows the Service NSW homepage with the NSW Government logo and Service NSW branding. A prominent orange banner at the top reads: "⚠️ Multi-factor authentication (MFA) will soon be required for all accounts. Log in and set up now to avoid disruption." Below the banner, there's a message: "Connect online with NSW Government services, quickly and securely." At the bottom are two buttons: a red "Log in" button and a white "Create Account" button.

- Masukkan rincian akun Anda
- Klik "Continue"

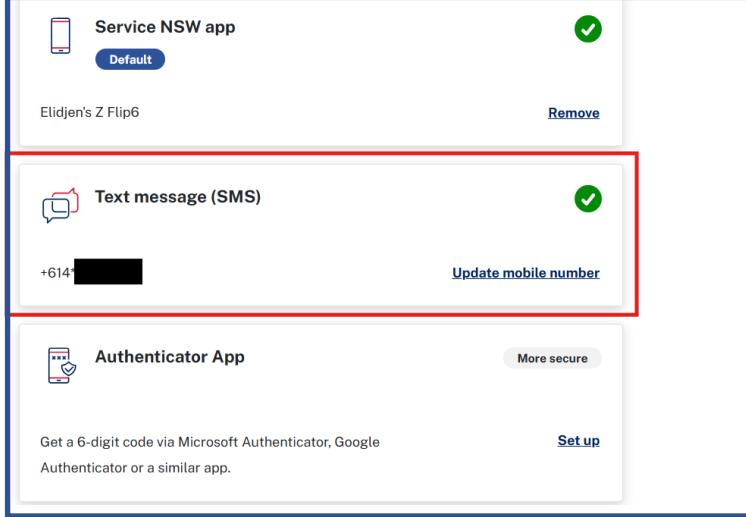

The screenshot shows the Service NSW Log in page. It features the NSW Government and Service NSW logos at the top. Below that is the "MyServiceNSW Account" heading. The main area is titled "Log in" and contains fields for "Email" and "Password". There is a "Show" link next to the password field. Below the password field is a "Reset password" link. At the bottom is a red "Continue" button. At the very bottom of the page, there is a link: "I don't have an account. Create account".
