Nurse Assistant Training (CNA Day Program)

- A Certified Nurse Assistant (CNA) is responsible for assisting patients with activities of daily living (ADL) tasks. Nursing Assistants provide very important needed basic nursing care services to their resident and or patients.
- CNA's work under the supervision of a Licensed Vocational Nurse (LVN) or Registered Nurse (RN). They serve as a conduit between patients, nurses, and doctors. CNA's also record vital information and communicate all issues to nursing staff.
- CNA's play a valuable role to the health care profession. Training includes 60-hour Theory lecture and 100-hour clinical skills, with lab integrated in the program.

Enrollment Requirements

- Registration/Application fee \$150.00 (forms available on pick up at front desk or by e-mail)
- 16 years of age or older
- CPR certification (B.L.S through American Heart Association)
- Government issued Identification card or Driver License
- Health & Physical examination (current within 90 days starting the program)
