other applicable amendments, annexations or supplements not included in the list above and any future amendments, annexations or supplements.

- 1.3. **Dedictory Instruments** - Each document governing the establishment, maintenance or operation of the properties within the Property, as more particularly defined in Section 202.001(1) of the Texas Property Code.
- 1.4. **Property** - shall mean Costa Bella, a subdivision in Travis County, Texas, according to the map or plat thereof, recorded in Volume 100, Pages 382-392 in the Map Records of Travis County, Texas as replatted under Document No. 199900344 in the Official Public Records of Real Property of Travis County, Texas, and all amendments to or replats of said maps or plats, if any. "Property" shall also include any and all other subdivisions that have been annexed or will be annexed into or otherwise fall under the jurisdiction of the Association, if any, that are not included above.

Other capitalized terms used herein have the same meanings as that ascribed to them in the Declaration.

**Section 2. Due Date.** Each Annual Assessment shall be due by the first (1<sup>st</sup>) day of January or such other date established by the Declaration or the Board of Directors ("Board"). Each Special Assessment due date will vary depending on membership vote approving same. All other Assessments shall be due in the time period established by the Board if such date is not established in the Declaration.

**Section 3. Cost Recovery.** Each Assessment, together with costs, late charges and attorney fees incurred in a collection action shall be secured by a continuing lien upon each Lot and shall be the personal obligation of the Owner. Unless otherwise prohibited by law or as otherwise provided by the Association's Dedictory Instruments, all costs of collection, expenses, and fees charged to, or paid by, the Association collecting, or attempt to collect, Assessments shall be assessed against the Lot and shall also become the personal obligation of the Owner as and when incurred. Cost of collection shall include, but not be limited to, charges imposed by the Association for sending collection notices/letters, charges imposed by the Association's management company for sending collection notices/letters, attorney fees, legal expenses (postage, copies, filing fees, etc.), and charges or administrative costs/fees imposed by the Association's management company for monitoring delinquent accounts and/or turning over delinquent accounts to the Association's collection agent (including the Association's attorney).

**Section 4. Delinquency Processing.** The delinquent date for all Assessments will be five (5) days from the Due Date, unless otherwise stated in the Declaration or action approving same.

**Section 5. Notices.** All collection notices sent to the Owner below shall contain notice of the amount then due.

- 5.1. **Delinquent Notice(s)**. The Association may, but is not required to, send one or more delinquent notices at a time to be determined by the Board before sending the Final Delinquent Notice described below.
- 5.2. **Final Delinquent Notice**. The Association shall, before turning a delinquent owner over to a collection agent (including the Association's attorney), send to the Owner a notice that complies with Section 209.0064 of the Texas Property Code. Additionally, if an Owner's use rights in the Common Area are to be suspended, the notice may include the provisions required by Section 209.006 of the Texas Property Code. The Association retains the right to send a letter that complies with Section 209.006 of the Texas Property Code regarding suspension of an Owner's Common Area use rights as a separate mailing.

**Section 6. Late Charge.** A late charge of ten percent (10%) will be incurred on any Assessment that is not paid in full within five (5) days of the date the Assessment became due. The late charge will be based upon the full amount of the applicable Assessment regardless of whether the full amount of the applicable Assessment is delinquent, or some portion less than the full amount of the applicable Assessment is delinquent.

**Section 7. Payment Plan and Partial Payments.** All Owners will be offered a payment plan in accordance with Section 209.0062 of the Texas Property Code and any Association Payment Plan Policy. If accepted by the Association, partial payments shall be posted in accordance with Section 209.0063 of the Texas Property Code unless the owner is in default under a payment plan at the time the Association receives the payment. The acceptance of a partial payment for less than the full amount due at the time payment is made shall not constitute waiver or forgiveness of the remaining balance. If an Owner enters into a payment plan per the Association's Payment Plan Policy, Owner is responsible for any and all administrative cost provided for in the Payment Plan Policy. The Association will not accept cash payments.

**Section 8. Dishonored Checks.** Checks dishonored by the bank (e.g., NSF checks) may (but are not required to) be re-deposited by the Association. Whether or not a dishonored check is re-deposited, a dishonored check will incur a dishonored check processing fee in the amount of \$25.00 to offset the additional processing involved and a dishonored check notice may (but is not required to) be sent requesting payment in full by cashier's check or money order. In the event a dishonored check notice is sent and the amount due is not paid in full within ten (10) days of the mailing of the dishonored check notice, the Association may initiate or continue collection activity. If a dishonored check notice is not sent, the Association may proceed with collection activity immediately. In addition to the dishonored check fee charged by the Association, any bank fee(s) or any other type of fee(s) charged to the Association because of the dishonored check [including a management company fee(s), if any] shall be charged against the Owner's account and the amount of the dishonored check shall be reposted to the Owner's account. An Owner shall be responsible for all charges and/or fees incurred by the Association as a result of a dishonored check.

**Section 9. Owner's Mailing Address.** It is the responsibility and obligation of each Owner who owns a Lot under the jurisdiction of the Association to provide the Owner's mailing

address to the Association and to promptly notify the Association in the event the Owner's mailing address changes. In order to be effective, notice of the Owner's mailing address or a change of the Owner's mailing address must be mailed to the Association by any method of mailing for which evidence of receipt of such mailing by the Association is provided by the United States Postal Service or a common carrier. It is the Owner's responsibility to maintain evidence of receipt by the Association of Owner's notice of address change. The Association may, at its discretion, accept a notification of a change in an Owner's mailing address sent by regular mail or e-mail, however, an Owner that disputes the mailing address listed in the Association's records must be able to prove that the Owner sent an address change notification by providing evidence of receipt by the Association of Owner's notice of address change that was sent by any method of mailing for which evidence of receipt of such mailing by the Association is provided by the United States Postal Service or a common carrier. Unless the Association is otherwise notified in writing, the Owner's mailing address shall be deemed to be the street address of the Owner's Lot or the last alternative mailing address provided to the Association by the Owner in writing. All notices to an Owner pursuant to this Policy shall be mailed to the Owner at the Owner's last known mailing address. If mail to an Owner is returned undelivered, or the Association otherwise reasonably determines that the last known mailing address of the Owner may not be valid, the Association has the right, but not the obligation, to conduct a title search or other searches for the purpose of attempting to either verify the Owner's current mailing address or to obtain the Owner's current mailing address. Any costs incurred by the Association to verify an Owner's current mailing address or obtain an Owner's current mailing address shall be, to the extent permissible under the Association's Dedicatory Instruments and state law, charged to the Owner. The failure of an Owner to receive a notice(s) or to properly notify the Association of a change in an Owner's mailing address shall in no way waive or negate the Owner's obligation to pay any Assessment or charge(s) authorized by the Declaration or state law. The submission of a check or other form of payment to the Association which sets forth an alternative address does not constitute notice of a change of an Owner's mailing address.

**Section 10. Referral of Account to Association's Collection Agent.** The Association, the Board, an individual Board member, the Association's office staff if any, or the Association's management agent may, without further approval of or action needed by the Board other than the adoption of this Policy in the open session of a properly noticed Board meeting and filing this Policy in the applicable county records, refer any account to the Association's collection agent (including the Association's attorney) on which any portion of: (a) the current year's Assessment is delinquent; and/or (b) any portion of a previous year's Assessment is delinquent; and/or (c) any other charge(s) due and owing to the Association that is authorized in the Association's Dedicatory Instruments or by state law is delinquent. Upon referral of an account to the Association's collection agent (including the Association's attorney) for collection, the collection agent is authorized to, without further instruction from the Board, take whatever action is necessary to collect the amount due including, but not limited to, sending demand letters, filing a lawsuit against the delinquent Owner for a money judgment and/or a judicial foreclosure, instituting an expedited foreclosure action if authorized by the Declaration and/or state law, foreclosing on the Lot or any non-exempt assets of an Owner (includes the authority to allow the Association's attorney or designated agent to bid on and purchase the property at a trustee foreclosure sale or at a constable/sheriff's sale), and, in the event an Owner files bankruptcy,

filing necessary claims, objections and motions in the bankruptcy court, and monitoring the bankruptcy case in order to protect the Association's interests.

**Section 11. Required Action.** Nothing contained herein, not otherwise required by the Declaration or by law, shall require the Association to take any of the actions contained herein. The Association's Board of Directors shall have the right, but not the obligation, to evaluate each delinquency on a case-by-case basis and proceed with collection activity as in its best judgment deems reasonable.

**Section 12. Referral of Account to Credit Reporting Service(s).** In the event that an Owner does not either pay the balance due on the assessment account of Owner's Lot in full or enter into a payment plan for the amount due after receipt of a Final Delinquent Notice as described in Section 5.2 above, the Association may, but is not required to, report a delinquent account to a credit reporting service(s) of the Association's choosing. The Association's may report the delinquent account by and through its management company. The decision to refer a delinquent account to a credit reporting service(s) shall be at the sole and absolute discretion of the Board. The Board is not required to refer all delinquent accounts to a credit reporting service(s) and retains the sole and absolute discretion to refer accounts to a credit reporting service(s) on a case-by-case basis.

**Section 13. Lien Filing.** In the event the Association decides to file an assessment lien, before the Association files the assessment lien (as that term is defined in Texas Property Code Section 209.0094), the Association must:

- a. Send an initial notice of delinquency:
  - (1) by first class mail to the Owner's last known mailing address as reflected in the Association's records;
  - or*
  - (2) by e-mail to an e-mail address the Owner has provided to the Association.

*and*

- b. Send a second notice of delinquency by certified mail, return receipt requested, to the Owner's last known mailing address as reflected in the Association's records not earlier than the 30th day after notice is given under Subsection a(1).

The Association may not file an assessment lien before the 90th day after the date notice of delinquency was sent to the property owner under Section 13.b.

**Section 14.** This Policy replaces and supersedes any previous collection policy (or similarly named document), if any.
