Formal Opening - August 15, 2009

★ ★ ★ ACKNOWLEDGEMENTS ★ ★ ★

The successful completion of this major undertaking could not have been accomplished without the mercies, blessings and guidance of Allah Subhaanahu Wa A'talla. On the more mundane side, the founding families, along with the Shura Council led by Br. Nassim Baksh and subsequently, Br. Azim Eonous, deserve credit for this project. Their effort was ably assisted by the Women's Auxiliary. However, nothing could have been accomplished if all the members had not opened and continue to open their hearts, wallets and provide labor year after year to make this a reality. Special appreciation is also extended to Br. Amir Khan and his family for allowing the use of their residence as a temporary facility, and to all those companies and individuals involved in the construction.

HISTORY

Jamaat ul Muttaqeen, Inc. was founded by a group of visionary families who saw the need for a Mosque in Southwest Broward in January 1995, a time when the area was developing rapidly. It was expected that the Muslim population will also increase with this growth. Consequently, the decision was taken to develop an Islamic Center within close proximity of the growing community.

A 3-acre plot of land was identified and the terms and conditions of sale, consistent with Islamic principles, were negotiated. The actual cost of the land was to be paid over five years in equal increments without any interest charges. This generous offer was accepted in principle pending incorporation of the organization.

The organization was incorporated on December 12, 1996, subsequent to the selection of a Shura Council and Ameer, Br. Nassim Baksh. He later relocated and was succeeded by Br. Azim Eonous, the current Ameer.

The first installment for the down payment of the land was raised within a day and the sale was finalized in March 1997. In November 1997, Jamaat ul Muttaqeen obtained its tax exempt status from the Internal Revenue Services and qualified under Section 501 (c) (3) of the Tax Code. Subsequently, it was granted exemption from qualified State and Local taxes.

The City of Pembroke Pines approved the Site Plan for the Mosque in May 2000. Thereafter, construction began with the approval of the architectural drawings and collection of start up funds. The members, motivated by their strong faith, gave generously and consistently contributed their time, effort and monies toward the full payment of the land and to finance construction of this beautiful Mosque. All funds were raised locally supplemented by interest free loans obtained from a few members. Most of the loans have already been repaid, Alhamdu Lillaah!
