

IMPROV FOR INTERVIEWS

Improv-Based Communication Workshops
Virtual or In Person

OVERVIEW

Preparing for an interview? Participants will use improv to showcase their best self in interviews by learning techniques to tell their own personal story and land that job, confidently.

COURSE THEMES

- Telling your unique story
- Listening and Co-creating
- Responding to questions with intention
- Speaking naturally
- Creating a memorable connection

WHAT TO EXPECT

- Highly interactive sessions, full of learning exercises, and games
- Mock interview practice
- A safe space and supportive environment to take risks and grow
- A learner workbook detailing course activities and resources
- Weekly homework suggestions to increase engagement
- Personal presentation feedback
- Mix of large group, small group and 1:1 breakouts
