

Chicken Zucchini Casserole

2 medium-size chicken breast

1 medium-size zucchini

1-8 oz mild cheddar cheese

Add your favorite seasonings

Place chicken in a baking dish with about $\frac{1}{4}$ cup of water and season with pepper, celery seeds, and garlic powder. Bake at 350° until chicken is done. In a pizza oven it takes 1 hour at 350°.

Wash and cut zucchini into bit-size chunks and place in a casserole dish. Shred chicken over zucchini and add the chicken broth. Grate cheese over top of the chicken. Bake at 350° until zucchini is tender. I used an electric roaster oven and it took about a 1 hour and 30 minutes at 375°.
