

DCM report for website March 2024

Hello Friends! My name is Jacquie, I am an alcoholic gratefully serving as your DCM.

At District we are still busy getting ready for the Pre-Conference Assembly. I am hoping you helped your GSRs out by giving them your feedback on the committee agenda items that they brought to your group. This is our time to communicate to our Delegate our input, she in turn acts on our behalf at the Conference in NY in April. Unfortunately I have heard from some GSRs that their group members aren't interested in giving their feedback. The beauty of AA is that it is a grassroots fellowship, all changes and decisions come from us.

The GSRs from our District will be attending the Pre-Conference via Zoom. We will meet in person in the back room at St Peter's Hall April 6<sup>th</sup> for the Saturday portion of the Pre-Conference. The address is 218 Church St, Comox. Everyone is welcome to attend beginning at 8:30 am.

As I mentioned last month we are contemplating hosting an Area event. We are asking our District 4 fellowship if you would like to help out to host an Area Quarterly or Assembly. This is not solely a District Committee commitment but our entire District 4 fellowship commitment. Your GSRs will be bringing this up for discussion at your business meetings. It had been a long time since we hosted one of these events.

Registration for the Western Canada Regional Forum has now opened. I think the most recent information on this is on the BC/Yukon Area 79 website under events.

Your GSR was sent a questionnaire on Anonymity and Social Media that GSO would appreciate all of us completing.

I hope to have updates on the 2025 International Convention after the upcoming Pre-Conference Assembly. The link below is for the 2025 International Convention mailing list. You can get your name on the list to be kept updated on volunteer opportunities:
