Good morning [REDACTED] I just woke up. I just got your email.

While you may terminate the agreement with me which is fine it does not entitle you to a refund as the funds are no longer in my custody.

We can discuss further when you are available. Hope this message finds you in good health.

Hey Brendon. Yes let's discuss further later today since you're EST.

I am in India currently so it's my morning time now

Okay. I think it puts you around 10 hours ahead of me in CST. What time is your schedule free for a call?

Sure thing. The funds are in the brokerage as stated previously so we will have to square that when the brokerage goes live.

I'm available today.

Contract states brokerage but that is contrary to what was verbally discussed 3/6 as to where the funds would be placed but we can discuss over a call. I will get Anthony's availability and propose a time.
