G’s Rewards Terms and Conditions

Effective November 9, 2026

These terms explain how to earn points, use rewards and manage your account. By enrolling in or using G’s Rewards, you agree to these terms.

1 Membership and Enrollment

Membership is open to individuals age 18 and older. To join, register in-store at a participating G’s Pizzeria or online at www.gspizzeria.com. New members receive a one-time bonus of 10 points when they sign up. Keep your account information, including your contact details and birth date, up to date.

2 Earning Points

Members earn 1 point for every $1 spent on eligible food and beverages after discounts and before tax, where permitted by law. Taxes, tips and gift card purchases do not earn points. Eligible items paid for with a gift card can still earn points. Ask a team member to add your account to your check or use the email address or phone number linked to your account when ordering online.

Please allow approximately 24 hours for purchase points to post. Points can be redeemed once they appear in your available balance. If an order is canceled, refunded or adjusted, G’s Pizzeria may reverse or adjust the points earned on that order.

3 Point rewards

Use your available points for the following rewards, subject to item availability at participating locations.

Points	Reward
100	Free G’s Original Spears
200	Free appetizer, up to $15
300	Free 14-inch one-topping pizza, up to $17.75

4 Redeeming rewards

Use your G’s Rewards account on eligible dine-in, takeout and delivery orders placed directly with G’s Pizzeria through supported ordering channels. Orders placed through third-party marketplaces, such as DoorDash or Uber Eats, are excluded. Eligible delivery orders placed directly with G’s can still qualify when a third-party driver delivers them.

To redeem through G’s online ordering, sign in using the email address or phone number linked to your rewards account. Add any required item to your cart and select the reward before submitting your order. Guest checkout does not support redemption. Free-item rewards are redeemable with a team member or through G’s direct online ordering and are unavailable through Toast Local or Toast Mobile Order & Pay.

Choose one G’s Rewards reward per visit or order, including any birthday reward. You can save your points for a future order.

Rewards apply only to eligible items and up to the stated value. Rewards cannot be applied to alcoholic beverages. Any remaining charges are your responsibility. Points and rewards are nontransferable and cannot be exchanged for cash, except where required by law.

5 Birthday rewards and special offers

Members who add their birthday to their account can receive a birthday meal reward of up to $15 toward eligible food. Please allow up to 24 hours after adding your birthday for Toast to register it. Redeem the reward in-store or through G's direct online ordering by the expiration date shown on your birthday reward. A team member may ask for identification to verify your birth date.

Members may also receive exclusive offers and promotions. See each offer for any additional eligibility rules, restrictions and expiration dates.

6 Expiration and existing balances

Points earned on qualifying orders expire after 180 days of account inactivity. Birthday rewards and other time-limited offers have their own expiration periods.

Your existing points and unused, unexpired rewards carry over when the updated program takes effect. Previously issued $10 rewards remain valid through their original expiration dates for eligible food and nonalcoholic beverages, subject to their original restrictions. If an unexpired reward does not appear at checkout, contact the location where you plan to use it for help.

7 Managing your account

Visit www.gspizzeria.com/gs-rewards to access your G's Rewards account and check your point balance and available rewards. If you believe points or a reward are missing, contact the participating location that handled your order and have your receipt or order confirmation available.

8 Program misuse

G's Pizzeria may suspend or close an account and remove points or rewards if the account is used for fraud or program abuse. G's Pizzeria may correct points or rewards credited in error.

9 Program changes

G's Pizzeria may change or end the program, subject to applicable law. We will give members notice by email, by posting the update at www.gspizzeria.com, or both. If a change affects existing points or rewards, the notice will explain how they will be handled.

10 Governing law

These terms are governed by Michigan law and applicable federal law.
