OVERDOSE HOMICIDE INVESTIGATIONS

FOR CRIME SCENE AND DEATH INVESTIGATORS

\$80.00

CLASS DETAILS

December 10, 2026
11:00 AM - 2:00 PM EST

Live Webinar - Link will be provided to participants via email on the day of the webinar.

Instructor: Tiffany Bronson

- Major Crimes Overdose Detective
- Experienced Narcotic and Overdose Investigator

Class is approved for 3 hours of ABMDI & IAI Crime Scene Recertification credits.

This 3-hour live webinar provides crime scene and death investigators with practical tools for recognizing, processing, and investigating overdose deaths as potential homicides. Signs and symptoms of overdose fatalities, investigative follow-up strategies, and undercover considerations will also be addressed.

Key Topics Include:

- Callout Criteria and Scene Safety Measures
- Crime Scene Management and Documentation
- Evidence Recognition and Collection
- Collection of Narcotics, Paraphernalia, Biological Samples, and Digital Evidence
- Practical applications for crime scene and death investigations

Through a case review, attendees will see how these techniques apply in real-world investigations, with emphasis on scene integrity, evidence retention, and courtroom readiness.
