

**SUNCOAST
FORENSICS**

QUALITY ASSURANCE FOR LATENT PRINT UNITS

\$250.00

CLASS DETAILS

August 25, 2025 - 8:00 AM- 5:00 PM

Location:

Osceola County Sheriff's Office
3901 Arthur J Gallagher Blvd.
St. Cloud, Florida 34771

Instructors:

Dr. Meredith Tise

- Forensic Quality Assurance Consultant
- ANAB Technical Assessor

David Villanueva

- Latent Print Supervisor

This class is approved for 8 hours of IAI
Latent Print Certification/Recertification.

Maintaining accuracy and reliability in latent print analysis requires strong quality assurance practices, regardless of accreditation status. This training provides forensic professionals with the tools to strengthen their latent print unit's operations and credibility. Topics include:

- Personnel Qualifications
- Training Programs and Competency
- Proficiency Testing
- Proper Examination Documentation
- Case Reports
- Technical and Administrative Reviews
- Case and Evidence Audits

This course is ideal for latent print examiners, supervisors, and forensic quality managers seeking to improve their agency's forensic processes and casework integrity.
