

Womens Beginner

Automotive Group

A new group just for women to learn some basic automotive skills together. Super easy going, no stress, and doesn't matter if you don't know the front from the back of your vehicle.

This Saturday or Sunday 1pm-4pm
694 Pioneer Highway, Palmerston North

This event will serve as an introductory event where you can learn some basics and chat with like minded people. Regular meet-ups are optional.

\$50 for the introductory 3hr event in which we will cover a set of basics with demos

For more info or to purchase contact Heather on 0204425885 or on Eventfinda

Regular meetings

Learning together how to be a bit more knowledgeable and self sufficient, with some help!

We will talk about what everyone wants to get out of the group and how we can best organise.

There will be an opportunity to look up parts for your own vehicle and possibly get discounts as a group on basic parts and service items so everyone can learn to service their own vehicle.

Practice beginner basics like:

- locating items in your engine bay
- basic servicing
- changing a tyre
- jump-starting and changing your battery
- parts and tools knowledge

Starting with real simple basics in a comfortable environment, because you don't know what you don't know, and what no one has taught you! There will be snacks!
