I've Got a Business, Now What?

Getting the business fundamentals done right

Ebony Kirby-Hopkins of Mesh Business Advisors will lead this lively workshop to make sure you've got your new business or non-profit started with a strong foundation. She'll cover critical issues like creating a legal entity, separating your business and personal finances, record-keeping, taxes, contracts, employees vs. contractors and insurance. We're building in lots of time for Q&A so make sure to bring all your business organization and financial questions to learn from our expert!
