CRE8TIVE *Collective*

Perfect Fourth Inc. began as a company that specialized in live music, recording, and event production. Diverse in its offerings such as: event coordination, vocal coaching, stage management, entertainment, and more.

We have now expanded the company into a third component, *Creative Collective*. Supporting people with passion through Creative Management.

CREATIVE

An individual that has a vision, whose passion is fueled by their purpose. Although the term is widely associated with those gifted in the Arts, a Creative can be anyone with an inherent talent towards a focused cause.

CREATIVE *Management*

Administering structure, foundation, and organization throughout the creative process. This program oversees and strategizes the details, so the Creative can focus more on the passion or goal.

MANAGEMENT

The administration of tasks, factors, or people to reach a goal. Using necessary planning, directing, and organizational skills.
