In the 10th year of the NSWRBT, we are proud to continue the conclusion introduced in 2023, now expanded to include graded, to determine the champions of the **2024 NSWRBT Tour Finals!**

This is a TBA accredited scratch event and all rules and regulations will apply. All participants are required to be current TBA members. Any matter not covered in this entry form will be at the discretion of the NSW Regional Bowling Tour committee.

Following the completion of the final event for 2024, qualifying bowlers will be invited to take part in the tour finals to be run in conjunction with the new event being introduced in 2024, the NSWRBT Playoffs to be held the day before (at another venue). The highest 16 bowlers in the open rankings who have participated in 7 or more events throughout 2024 and the highest 8 bowlers in the graded rankings who have participated in 5 or more events throughout 2024 will qualify for the finals. Invited bowlers will be required to confirm their attendance and pay the \$100 entry fee within 7 days of the rankings being announced. After this time, the next available bowlers will be invited until there are full confirmed fields. Where there is a tie on ranking points this will be broken by highest individual event points until the tie is broken.

Graded bowlers must provide evidence of their highest average over 18 or more games as at 31 October 2024, this will be used to determine their handicap based on 90% of 200 or 10 pins above the highest entering average (whichever is higher). The tournament directors have the right to regrade any bowler's average where this is deemed necessary.

Open Tour Finals Format

Bowlers will be allocated into 2 groups based on their ranking position being either odd or even, each group will compete in round robin matchplay of 7 games, followed by a positional round. Bowlers will be awarded 20 bonus pins for a win or 10 bonus pins for a draw. Following these 8 games, 6 bowlers will progress to the tour championship elimination final. Lanes will not be oiled ahead of the open tour championship elimination final.

Graded Tour Finals Format

Bowlers will compete in round robin matchplay of 7 games, followed by a positional round. Bowlers will be awarded 20 bonus pins for a win or 10 bonus pins for a draw based on pinfall plus handicap. At the completion of these 8 games, the bowler with the highest pinfall, plus bonus, plus handicap will be the **2024 NSW Regional Bowling Tour Graded Champion.**

Open Tour Championship Elimination Final

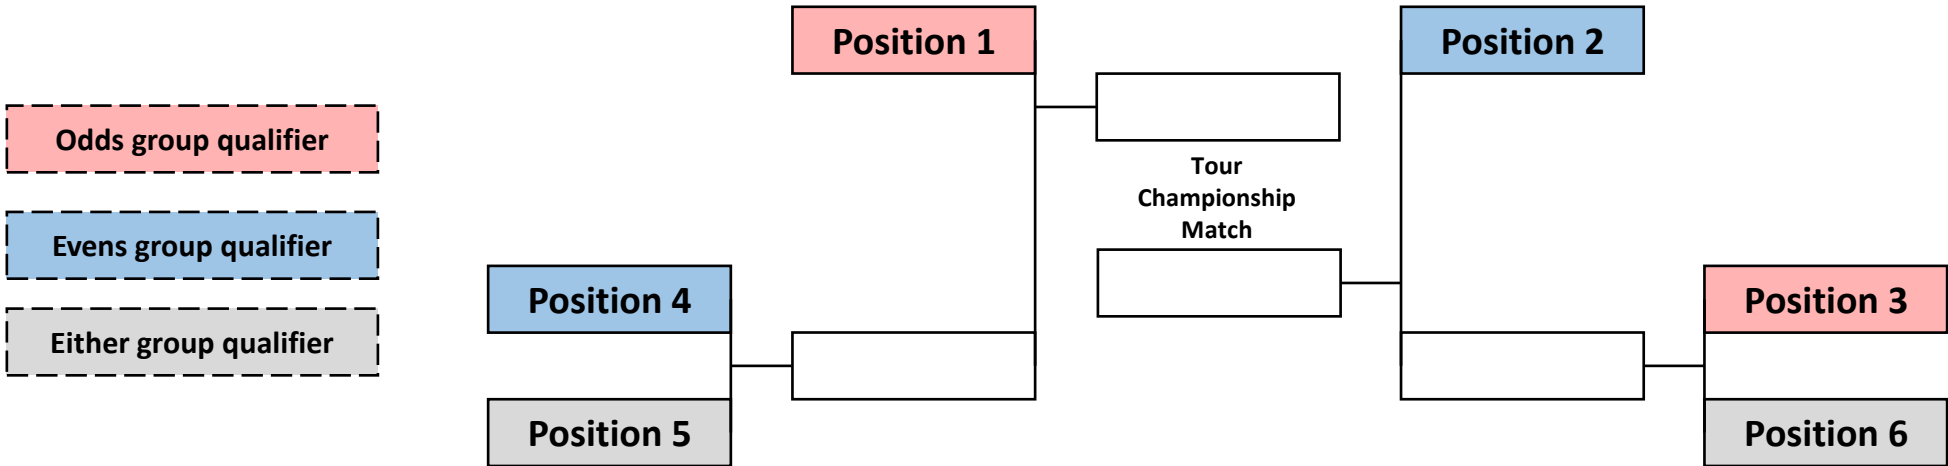

The top bowler from each group based on pinfall plus bonus will progress to position 1 or 2. The second highest bowler from each group based on pinfall plus bonus will progress to position 3 or 4. The next 2 highest bowlers remaining based on pinfall plus bonus from within either group will progress with the higher score to position 5 and the last progressing bowler to position 6.

Each match will consist of 1 game with the loser eliminated and the winner progressing on until there is only 1 bowler remaining who will become the **2024 NSW Regional Bowling Tour Open Champion**.

If there is a tie during the championship elimination final, this will be broken by a 9th and 10th frame roll off. Prizes for bowlers eliminated at the same time will be broken by highest draw position.

A high game prize will be awarded to the highest game in each division (including handicap for graded) from bowlers who are outside of the top 6 in open and top 3 in graded.
