

MARTIN Tech LLC

www.MartinTechND.com

#1 Distributor of

GRAINSIGHT™
The Future of Grain Storage Management

Since 2020

*Grain Bin
Monitoring...
Simplified.*

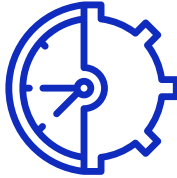

Live Data, Anywhere

- ✓ Monitor all your bins and sites from any internet connected device.
- ✓ Intuitive, feature rich user dashboard.

Intelligent Fan Control

- ✓ EMC-based automation ensures your fans only run when conditions are ideal—no wasted energy, no guesswork.
- ✓ Drying, Cooling, and Conditioning.
- ✓ True digital overload protection.

Grain Temps, Hotspot Detection, and Alerts

- ✓ Grain temperatures are monitored 24/7.
- ✓ Alerts are sent by text or email when a hotspot goes over your set threshold.
- ✓ Temperature data supports automatic cooling decisions.
