Tim suggested that given the lengthy agenda we could grab lunch and meet and eat. I good either way. If you like Tim's suggestion, the league could spring for another lunch. But I would not be in favor of making this a habit. Potential restaurants that are close and could accommodate us with a meeting setting: **Shuckers or Cinco de Mayo** (a Mexican restaurant) Surfside is closed for lunch.

We will decide on Monday whether to lunch it or not.
