

TCSSA Rules:

We will revert back to having 13 players in the field

We will continue with 9 inning games

We will start with a 0-0 count rather than 1-1

There will be no courtesy foul balls

You cannot strike out hitting the pitchers screen

Regardless of how many teams we have, all teams make the playoffs.

Championship games are to be 9 inning games

If you play in the field, you must bat

Intentional walks

Each team can intentionally walk someone once per game

The intentionally walked batter takes 2nd base.

If there is a runner on 2nd, that player moves to 3rd.

If there are runners on 2nd and 3rd, each of them move up one base

Rabbit Runner

Anyone with a medical limitation can ask for a rabbit runner. However each team can have a maximum of 3 players with Rabbit Runners per game.

The rabbit runner has no limitations on the number of bases he can take, that includes bases after the initial hit.

The rabbit runners have to be assigned before the game while exchanging line ups.

Pinch runners

If injured, a player once on base can request a pinch runner. That runner can only move one base at a time.

Any player on the team can be the pinch runner

One player cannot pinch run for two players within one inning.
