

THE FULL PM SENIOR TIMELINE

step by step on what to expect

SENIOR¹GUIDE

It all starts at first contact.

Send me a message and I'll send you a link to download my free senior guide! This guide talks about wardrobe, hair and makeup and more! The guide also includes session and print pricing. Everything you need to know from shoot to print. Did I mention it's absolutely free?

You don't have to book me to get it, just send me a message!

PREP MEETING

When you schedule your pictures, we'll also schedule your prep meeting right here in my studio! This meeting gives you the opportunity to talk about where you want to go, what you want to wear and how your images want to look. We'll plan out all those details together and prep for a perfect shoot.

3 *THE PHOTO SHOOT!*

Your big day is finally here!
And, since you've downloaded the Senior Guide and together we detailed out everything in your prep meeting, we have a plan, locations and outfits to make your session flawless. We'll spend the next three hours together, getting in as many outfits and locations as we planned!

4 *IMAGE PREMIERE*

I'll show you every picture on the back of the camera, as we take them, but once I get back to the studio I start the editing process. Once I have the edited images ready, I'll invite you back to the studio for an image premiere slideshow on my big screen tv! We'll then review prints, packages and album options.

THE 5 ORDER

After your image premiere, I'll send you a link to view the images on any device! You can mark favorites, compare images, view in black and white and more! Then, simply schedule an order session with me so I can help build the perfect order, or simply place your order through the site and I'll take it from there.

RETOUCH AND PRINTING

I personally hand retouch every order. I soften the skin, enhance the eyes, add pops of color and more! Standard prints and wall portraits up to 16x20 are printed in house. Albums, canvas prints and other items are sent to a pro lab. All this to make sure that YOUR images look the absolute best. When your order is ready, simply pick it up!
